Silicone Night Light

*Profile

Xiamen Evanda Technology Co., Ltd

Xiamen Evanda Technology Co., Ltd, Xiamen Better Silicone Import and Export Co.,Ltd and Xiamen Better Silicone Rubber Co., Ltd is all belong to Xiamen Better Group. For broaden business, Xiamen Evanda Technology Co., Ltd is established in May, 2021.

Xiamen Evanda Technology Co.,Ltd is aim to be an technology innovation corporation with innovative electronic home appliance development, manufacturing and selling ingredient. Our self-developed products achieved with many certificates, such as CE, GB4706.1-2005, RoHs, etc., meanwhile successfully applied patents. We possess completed and scientific quality management system, always win great reviews from our clients with our honest and quality.

Xiamen Evanda Technology will continue to develop more creative electronic products for improve life quality.

Welcome to visit our factories, assembly lines, and work with us.

Best Regards.

1. Step-less adjust brightness
2. With timer function – 15 or 30 minutes

Name	Lucky Duck Night Light – Warm Light
Model	E-6010
Specification	99*94*109.5mm
Material	Food grade silicone + ABS
Lithium Battery	1200mAh/3.7V
Brightness	3000K
Charging	Type-C port, 3H
Battery Life	Strong brightness – 8H, weak brightness – 100H
Certificates	CE, RoHS
Box Specification	100*95*114mm
Gw of One Box	214gram
Package	60pcs, GW: 14.5Kg
Package Specification	54*50*33cm
Price	<5000pcs, 4USD/pc (EXW Xiamen); >=5000pcs, 3.5USD/pc (EXW Xiamen)
Note	Tax and freight is not included

1. Both warm light and colors light, pat silicone lamp can change color.

2. With timer – 15 and 30 minutes.

Baby Toothbrush

1. U-shaped toothbrush head - food grade liquid silicone material.
2. High frequency sonic motor and fine toothbrush bristles – clean teeth completely.
3. Massage bump.
4. IPX7 waterproof .
5. Rechargeable – lithium battery.

Name	U-Shaped Toothbrushes for Kids
Model	E-6002
Patent	ZL 2021 3 0164815.4
Vibration Frequency	20000times/Minute
Specification	107*53*48mm
Rated Voltage	DC 5V
Lithium Battery	400mAh/3.7V
Certificate	CE, GB 4706.1-2005, GB 4706.59-2008, IPX7, FDA
Color	Light blue, light purple, light green, light pink, light orange
Includes	Toothbrush *1, magnetic charging cable*1, manual *1, box *1
Box Specification	89*180*67mm
Box Weight	184gram
Packaging	28pcs, GW: 6.3Kg Carton: 45*45*31cm
Price	<500pcs, 12USD/pc (EXW Xiamen); >=500pcs, 11.6USD/pc (EXW Xiamen)
Note	Tax and freight is not included

Innovative finger toothbrush set, includes toothbrush and tongue cleaner.
Soft and safe material protect baby mouth.

Name	Finger Toothbrush and Tongue Cleaner
Model	E-6004
Patent	ZL 2020 3 0738589.1 ZL 2020 3 0735291.5
Specification	25*88mm
Certificate	FDA
Material	Food grade liquid silicone and PP (box is made from pp)
Color	Light pink, light blue, light purple, and clear
Includes	Toothbrush*1 + tongue cleaner*1 + pp dustproof box*2 + Blister box heat press paper card packaging
Blister specification	130*220*32mm
Weight	88gram
Carton	36pcs, GW: 4.3Kg Carton: 46*46*32cm
Price	<3000pcs, 1.3USD/pc (EXW Xiamen); >=3000pcs, 1.0USD/pc (EXW Xiamen)

Smart Sensor Trash Can

Negative ion to purify air inside and outside of the trash can, response opening within 0.3-0.6S; four lid opening ways; long battery life for charging version; narrow width design (16cm width).

Name	Negative Ion Sensor Trash Can - Rechargeable
Model	E-6005
Patent	ZL202130853627.2
Specification	304*164*301.5mm
Material	ABS, PP
Lithium battery	2000mAh/3.7V
Color	White, light green, light pink
Open lid	Infrared/hand waving induction, kick/vibration sensing, one key for long-time opening, and manually open the lid when no power
Charging	5.5DC port, 4.5H
Battery life	3 month
Certificate	CE, FCC
Box	310*170*320mm
Weight	932gram
Packaging	8pcs, GW: 9.2Kg
Carton	64*62*36.5cm
Price	<500pcs, 12USD/pc (EXW Xiamen); >=500pcs, 11.5USD/pc (EXW Xiamen)
Note	Tax and freight is not included

Negative ion to purify air inside and outside of the trash can, response opening within 0.3-0.6S; four lid opening ways; long battery life for charging version; narrow width design (16cm width).

Name	Negative Ion Sensor Trash Can – Battery Supported
Model	E-6005-1
Patent	ZL202130853627.2
Specification	304*164*301.5mm
Material	ABS, PP
Battery	Two AA battery (5#)
Color	White, light green, light pink
Open lid	Infrared/hand waving induction, kick/vibration sensing, one key for long-time opening, and manually open the lid when no power
Battery life	3 month
Certificate	CE, FCC
Box	310*170*320mm
Weight	890gram
Packaging	8pcs, GW: 8.8Kg
Carton	64*62*36.5cm
Price	<500pcs, 10.5USD/pc (EXW Xiamen); >=500pcs, 10USD/pc (EXW Xiamen)
